Love 2 Play – Membership FAQ

1. Do I have to be a member to register for sets of lessons with Love 2 Play?

You do not need to participate in a membership package to register for lessons with Love 2 Play. Lessons will continue to be offered on a set by set basis. Among the advantages of membership though, is a reduction in the overall cost of classes, use of The Dogs' House and Salamander field, additional discounts and advance notification regarding other Love 2 Play training opportunities.

2. Are the membership packages only for those students doing agility?

The membership packages are available to all students of Love 2 Play. We even include Puppy and Obedience Start Right in the packages (they are not 6 sets of lesson), as long as you take BOTH. All other set of lessons will be offered in 6 week blocks. If a class runs longer than 6 weeks, members will be able to purchase the additional lessons at the per lesson rate according to their membership or will be free at the discretion of the instructor. If a set is less than 6 classes, you can use a coupon as a drop in (6 signatures = finished coupon)

3. Can I enroll in a membership package at any time during the year?

No, sorry, this is no longer available. The membership year is January to December.

4. What are the membership options?

There are 4 different levels of membership packages available. Please refer to the information package regarding the benefits and associated cost of each of the packages. Regardless of the package, there is a reduction to the cost of lessons as compared with registering for classes set by set. The amount of the savings increases as the package level increases. There is also the advantage of the costs being spread out over twelve months. Depending on the package level, there are additional benefits of membership – please refer to the information packages for more details.

5. Do I have to spread the lessons out over the year?

No, if you have a crazy schedule and can take 2 sets of classes in January and then 3 sets in May and no others in the year, that is fine.....with the Basic Package you have 5 sets of classes to use in any way you want....but the cost is spread evenly over the year....no 'big hits' from your bank account just because you have time to take classes.

6. How do I sign up for a package?

To sign up for a package, complete the registration forms, waiver, and Dogs' House /Field use agreement (if applicable). Along with your completed forms, please include 12 post dated cheques for the first of each month.

If you don't use cheques, please set up an automatic e-transfer or see me for alternatives.

7. How do I register for sets of lessons?

There are a certain number of sets of lessons available with each package. You will be given the corresponding number of class coupons when you register for a package. At your first class, you simply give the instructor a coupon (Love 2 Play reserves the right to limit class size). How many sets of classes you register for at any time is entirely up to you but, you will have a limited number of class sets per year available with your membership package. Any set of classes beyond the number available with your package can be purchased as a separate individual set at a discounted price (\$185 including tax in 2020, which is still a \$30 savings) or you can upgrade your package.

8. What if I miss a lesson that I registered for?

There are no refunds or make ups for missed lessons. All coupons with your package must be used within the calendar year. However, if you miss a lesson due to inclement weather or the instructor cancels a lesson, a per lesson adjustment will be made.

9. Can I upgrade my membership package?

Yes, you can upgrade your package at any time. Please let me know and I will determine the prorated costs.

10. Can I cancel my membership?

Yes you can cancel your membership. The cheque for the next month will be deposited and your account will be reconciled to determine if there are any outstanding fees based on the class sets that have been registered for. You can also transfer your membership however the transfer must be registered with Love 2 Play with the appropriate paperwork completed.

11. My partner and I both train, do we have to buy separate packages?

No, you can purchase the package that is appropriate including everyone living in your household.

14. How do I know when the Dogs' House or Salamander Field is available for practice?

*The Dogs' House and Salamander Field are available for practice when they are not being used for lessons. There is an online schedule that provides up to date information regarding availability. Every effort will be made to keep the schedule up to date on the Love 2 Play. **Students are encouraged to join with others for practice time as it is beneficial to have someone assisting/watching/helping/videoing. AND, for many of us, dog training is a social activity!***

15. What are the expectations when I am practicing at the Dogs' House or Salamander Field?

Please refer to the document entitled Love 2 Play Training Expectations which was provided to you in the membership registration package.

16. And if I choose not to get a membership?

Sets of lessons are still available at the regular price (presently \$35 including tax but subject to increase during 2020). Use of The Dogs' House can be purchased at \$20 per hour for The Dogs' House and \$15 per hour for Salamander Field. Private lessons are available at \$60 per hour. When space is available in a lesson, drop ins are allowed at \$35 per lesson.

17. Who do I contact for more information or concerns?

Please contact Jeanne Shaw jeanne.dogs@gmail.com.
